

## Presentations' Schedule for the 1<sup>st</sup> Horizons Unlimited Travellers' Meeting in Greece (Tzoumerka, 26-29 July 2012)

Thursday	Friday	Saturday
<p><b>20:30 <u>There is Another Choice for Everyone of Us</u></b> Alexander, after having studied as an engineer, had worked for many years in Germany and USA, decided to give everything up to travel. He will be there to tell us how he reached his decision.</p>	<p><b><u>In the roads of Nepal on a "Rent-a-Bike"</u></b> "Rent-a-Bikes" are not to be found only on the Greek islands. How easy is it really to ride a scooter in the roads of Nepal? Spyros &amp; Efi, who have done it, will share this with us.</p>	<p><b><u>Travelling from the Passenger's side of View</u></b> Vassilis has done motorcycle travelling as a passenger since he hasn't got a motorcycle. In fact, he can't tell which is the clutch and which is the brake. What does he think "in the back"?</p>
<p><b>21:00 <u>Travelling on Small Displacement Motorcycles</u></b> Joel &amp; Tazeem are coming all the way from Canada on a KLR 250 Sherpa (!) and they are going to tell us the advantages and disadvantages of using a small bike on roads accustomed for "big" ones.</p>	<p><b><u>MotoDiscoveries Group at the Edge of Europe</u></b> Or "Travelling from the Southmost point of Europe to the Northmost". Two riders, two motorcycles and 12.000 km. from cape Tainaro in Greece to the topmost edge of Europe.</p>	<p><b><u>The Incredible Beauty of the Norwegian Fjords</u></b> Vaggelis and his company travelled to Norway, the land with the endless roads and the extraordinary low speed limits, but at the same time of unique beauty and landscape.</p>
<p><b>22:00 <u>Travelling in Russia for 35 days</u></b> Dimitris: "Let me story you how it is to travel 35 days without reservations and scheduled roads. Let me explain to you how a meeting with some locos can change the whole trip in an instance".</p>	<p><b><u>Alone in the Wild West of the United States</u></b> Who said that long distance travelling, let alone solo, is a "man's thing to do"? Living example of the opposite is Polytimi who is there to describe the experience of her trip.</p>	<p><b><u>MotoDiscoveries Group all around Turkey</u></b> Christos, Odysseas and Angela travelled for 25 days in Turkey, covering more than 7.000 km. through a magnificent scenery and landscape of such beauty that will keep us all intrigued.</p>
<p><b>23:00 <u>From England to Gambia, Africa on a "Pizza" bike</u></b> Yes, you read it well! Dennis started off on his Honda C90 from England and 4.000 miles later arrived in Gambia within his charity project of supporting a local hospital in this very poor place.</p>	<p><b><u>The Round of the World in (not 80) 99 days</u></b> Blazo, Nikola and Vladimir left on 30th May morning from Podgorica, Montenegro and returned 99 days and 45.000 km later having circled the globe from West to East. Really!</p>	<p><b><u>Travelling through the Balkans for 10 days</u></b> Not one, not two, but nine were the countries, innumerable were the towns and villages, more than 4.000 photos taken through Kostas's trip, including the famous "Transfagarasan" pass.</p>
<p><b>00:00 <u>Murmansk: the Largest city within the Arctic</u></b> Wonder how it is to travel to the largest city beyond the Arctic circle? Vassilis who did it will answer all our questions and will provide us with as much information possible about his trip.</p>	<p><b><u>The Greek-speaking Villages of South Italy</u></b> Elias has done a lot of long distance travelling but his experience from his trip to South Italy and to the remains of the language spoken there (Magna Grecia) has been astonishing.</p>	<p><b><u>From Patra, Greece to far away Iceland</u></b> A summer escape for Nikos and his company from Greece to Iceland was transformed into a fascinating journey to the land of the geysers, the icebergs and the geological formations.</p>
<p><b>01:00 <u>Thessaloniki – Nordkapp on a 197.9 cc Vespa</u></b> Stergios and Giorgos rode 11.000 km. in 24 days and 15 countries later got to Nordkapp, following the trail of Thanos who had done the same trip 2 months ago, all of them on little 200 cc. Vespas.</p>	<p><b><u>The European DucatiSTi Experience Project</u></b> Giorgos is a fan of Ducati. So, he took opportunity from the World Ducati Week and got himself inspired to visit all the Desmo Owners Club in Europe (well, nearly all...).</p>	<p><b><u>The Experience of Taking Part in the Paris-Dakar</u></b> What better way to end the presentations with a different one, that of Vassilis' who took part and finished the world famous offroad race! After the presentation, a video film will be shown.</p>

Apart from the presentations, there will also be tech clinics throughout the day, such as Andreas' lesson on **First Aid Techniques** especially adjusted to the life of motorcycling that all of us should know, or Hanno who will be educating us on **What Tools** he thinks necessary to carry along on a long trip and how to use them in roadside repairs that happen anytime, anywhere, in the middle of nowhere. Also, Dimitris, who has not travelled a lot abroad but has been all around Greece, will be there to provide **Information** and tips according to anyone's next destination in the country or a nice route out of it. Moreover, whoever prefers not to join the ride outs but stay behind, he/she may take a walk down to the village through the uniquely picturesque well-signed path or practice his/her hiking skills.
