Escape gear seat covers

KM 200073 on 17-7-2018 (now 207200, 10-09-2018)

Dash cam for high resolution (4K) movies and pictures

Garmin GPS

Bed can be fold away in half for extra space in the car, you can leave it complete incl. bedding while driving. 5 windows with mosquito nets for fresh air.

When the roof is down you can still sit easy in the vehicle and use everything except the bed. In the vehicle, near the sink control panel for interior lights, fridge, geyser, and waterpump. Meter for two water tanks and button to set the boiler on 60 or 70 degrees (geyser). Also 2 USB docks and two 220 sockets.

Above with roof down, below with roof up.

I am 185 tall and can stand up straight easy in the vehicle.
